2026 WINNERS

1st Place

Fairview High School
(Defiance County)

2nd Place

Ft. Jennings High School
(Putnam County)

WHAT IS ENVIROTHON?

The Envirothon is a competitive, outdoor academic team event for high school students. A unique and enjoyable learning experience, the Envirothon is designed to create, reinforce, and enhance interest in the environment and natural resources. Teams consist of five students, all from the same high school. An adult advisor must accompany the team but is not permitted to assist the team during competition.

The Ohio Area 1 Envirothon tests students' knowledge of soils and land use, forestry, wildlife, aquatic ecology, and a current environmental issue. The 2027 Current Issue is "**Soil Health Management: Agricultural Principles and Stewardship**"

The top four winning teams advance on to the Ohio Envirothon which features the top 20 teams from the five Area Envirothon competitions held across Ohio each spring. The winning team from the Ohio Envirothon then advances to the North American Envirothon. More than 1,700 students participate in Ohio Area Envirothon competitions. In Ohio, the Envirothon is sponsored by the Ohio Federation of Soil and Water Conservation Districts (OFSWCD), in cooperation with the Ohio Department of Agriculture (ODA) and the Ohio Department of Natural Resources (ODNR).

FUN! ENGAGING!

HOW CAN YOU HELP?

The Ohio Area 1 Envirothon is financed by grants, donations from businesses and organizations, and through other contributions. Your donation would help us provide t-shirts and food for approximately 350 students and their teacher- advisors and supplies for onsite field testing.

For more information on the Area 1 Envirothon Competition, visit www.area1envirothon.com

Please submit donations to Patrick Troyer at Lucas Soil & Water Conservation District by **March 24, 2027.**
